Some time ago the Government Analyst of the quality of the liquor sold in the grog shops here. Singapore, according to the following paragraph in the Straits Times, seems to be less for tungen :- The practice of retailing adulterated and unwholesome spirits from various low grogshops in the western portion of the town has again come under the notice of the police; and be quantity of noxious spirit that is retailed to the hubitues of these grog sliops is really alarming. The effect produced by the consumpstill more alarming, the result being that the consumer is rendered holplessly drunk. The manner in which the notice of the authorities was attracted to the provalence of the custom was the arrest of a sailor, who, in a helplass state of intoxication, was found lying in one of the thoroughfares by South Bridge Road. The man, when brought before the Superintendent of Police, said that he had only a couple of glasses of spirits in one of the shops and that was all he remembered. He pointed out the place, which A high class fertilizer for pot plants and for was visited by an Inspector of Police; who took use in the garden generally: it sumplies natural | therefrom six samples of spirit. These samples were chemically treated by the Government analyst, with the result that they were all found o be more or less adulterated, and one sample shalled and alleged to be brandy contained so a sed fusel oil as to be totally unfit for human consumption. The police have visited severa

Let us hope that full details and reports to Australia with the who schieved at least as large a measure of suc- stitute. cess in that direction as any of his predecessors -if not larger.

You all join with me, I know, in hoping the the change to an invigorating climate was --To cost \$3,500 — was commanded a short time ago store to him that health the failure of which unfurther delay being very undesirable as it is fortunately compelled bim to relinquish this necessary that the Institute should be in work Government. Of the messures to which I have alluded be cultivated in the cool s ason:

a few have already been under your consideration, others have been prepared and will be immediately introduced, while some are still in will shortly be submitted to you in connection course of preparation. As regards the Opinm Ordinance, which was read a first time shortly before our vacation, be of special interest to you inasmuch as it circumstances have since shown the desirability of continuing to keep apparate as heretofore the lude to the proposed extension of the accommo law as regards raw and prepared opium res- dation at the Civil Hospital for private paying

of both measures, which it is important should and the question of increasing the fees is under

become law at an early date. I have every reason to hope that if the Government is supported in its efforts to stop the smaggling of prepared opium in a this colony, and in Kowloon. the revenue on this head will not only be maintained but may be largely increased.

The redinance to amend the law relating to bankruptoy passed its second reading as long ago as last December. It has since received the careful consideration of the Law Committee to whom it was referred, and is now ready to be hand.

dealt with by you. The Merchant Shipping Consolidation Bill, which was read a second time at our last marting, will doubtless have received during the recess the close attention of those who are specileave free the hands of Mesers. Ewart and Brodie, | ally affected by its provisions; and, as it is important that no more delay than is necessary and attention given to our concerns. Mr. Bacher | should take place in passing it, it will be placed before you again immediately. Of the Bills which have been prepared to be

able in the commercial interests of the colony precipitate matters at the present juncture, | than the Chinese Emigration Cousolidation Or-The continuous flow of emigration through this colony is a large fector in the prosperity of the port, and it is to be regretted that it has

> been from various circumstances so much check d of late. I am informed by officers of the Government who have given attention to the subject that this is in a large extent due to the absence of satisfactory arrangements for the proper treatment of emigrants from the time of their leaving their native homes to the time of their return to China.

The measure which will be placed before you ine as its object the improvement of the status sent estimates show can be defrayed out of of the emigrant, so far as the Government of this colony can improve it, and it is hoped that has the revenue of the year thus been sufficient t will benefit the commerce of the port. to cover the ordinary expenditure, including the
